

Symphonic Band and Symphony Orchestra Concert Uniform Information

The Concert Uniform for all Symphonic Band and Symphony Orchestra members is outlined below. It is the responsibility of the parent/guardian and child to make sure that they have all of the items!

Due to high national demand of concert uniforms in September, we are asking all families to purchase and order their uniform before August 16th.

The band and orchestra programs have joined with **Al's Formal Wear** (located in the Centerra Mall) and **Cousin's Concert Attire** (online) in getting prices down and to ease acquisition of these items for parents.

Option 1: "Angelina" Concert Dress and matching pearl necklace (band only), black panty hose or knee highs, closed toe black dress shoes, and matching pearl necklaces.

Items Purchased from **Cousin's Concert Attire**

1. "Angelina" concert dress/Product Code 115Y (youth sizes) or Product Code 115 (adult sizes): \$58
2. Pearl Necklace/Product Code 182S (band only, orchestra will not purchase this due to chin rest interference): \$4

The black hose and dress shoes can be purchased anywhere they are sold.

A sample set of dresses will be available at 7th and 8th grade registration in the choir room for families to size their children. Dresses may be tried on in practice rooms if needed. Write down your desired dress size and then contact Cousin's Concert Attire between 9am-5pm EST directly at: 1.800.881.5343

Families that are unable to attend registration will need to make arrangements with Mr. Perez to size their dresses at another time.

Phone in your order by Friday, August 16th!

Option 2: White Long Sleeve Tux Shirt, Black Tux Pants, and **Black Socks, and Black Leather Dress Shoes**, (no boots, combat boots or tennis shoes even if they are black; no white socks).
